Principal’s Report
Mrs Waters’ Retirement
Recently, Mrs Waters made the decision to retire from teaching. Staff knew this would occur sometime throughout the latter part of 2014, with a farewell from the staff occurring at the end of 2013. Judy is an outstanding classroom teacher who provided a rich learning program for students both in her classroom and across the school. Judy had been a tremendous support for teachers, particularly in her mentoring and coaching role with our newest teachers. Staff have missed her practical approach to organisation, her wonderful sense of humour and her wisdom and advice when needed. Judy is a very highly regarded and respected teacher and has taught many children, many of whom now have their own children attending CPS.

Judy had requested that she retire without a fuss which has been difficult but important to respect. I know the community joins us in wishing Judy a very long, happy and healthy retirement, and we know she will continue to pop up to the school to assist both the students and teachers over the coming years. Our Presentation Evening at the end of the year will provide an opportunity to say a few words from the students, staff and community by thanking and acknowledging the wonderful teaching career of Mrs Waters.

Week Nine – A Busy Week!
Next week is a busy one. Have you locked in these days and times? It’s Education Week and we have lots of activities lined up! Thursday is our Open Day, with a picnic lunch, student led conferences and bike riding (available) for all students all planned for the day. All parents are invited to visit on this day and we hope to see as many of you there as possible! On Tuesday there is Boys’ touch football, the Puberty Program for Stage 3 begins and K-2 have their AFL skills day on Friday. For details about all of this week’s happenings, see pg 6.
**Student Learning Progress Survey**

Coming home today with the newsletter is a school survey asking for community feedback about the ways in which we communicate student learning progress.

A number of new strategies have been trialled this year, such as parent teacher interviews in Term 3, a second Student Led Conference scheduled in Term 3, communication from teachers about stage and class learning outcomes and the Progress Learning Folders.

Results from the survey will be published in our newsletter in Term 4 and at the Term 4 P&C Meeting.

The survey shouldn’t take longer than 5-10 minutes to complete and can be returned to the front office. Surveys are anonymous, allowing parents to confidently provide the feedback we are seeking, which will assist planning the way we communicate student learning progress to parents in 2015.

**Father’s Day Breakfast**

It was lovely to see so many fathers and children at school enjoying a Father’s Day breakfast generously supported by the P&C. Thank you everyone who assisted during the lead up and on the day. Feedback from the community and students has indicated that this initiative was a wonderful way to have the community come together and enjoy time at school.

I hope all the Dads had a lovely Father’s Day with their children and that the toast wasn’t burnt and the tea was nice and hot!
School Flashing Lights for Cambewarra Public School
From November, schools across the Shoalhaven will have Flashing School lights installed to assist drivers with school speed limits. The Flashing School Lights will help assist our students, with safer drivers anticipated in and around our school.

Book Parade
Students came to school last Wednesday enthusiastically dressed up for Book Week. There were some fantastic costumes and a lovely theme of costumes linked to book characters.

Thank you to everyone who made the effort to get involved, dress up and attend our parade. Thank you to Mrs Urquhart for organising a terrific Book Week with a great Book Fair for students to purchase books.

Classroom Vacancy
Mrs Waters’ retirement has created a classroom teacher vacancy. The panel has been formed and the position should appear at Jobs NSW on Wednesday. The culling process will begin during the first week back in Term 4 with the new teacher announced at the end of Week 2.

Class structures and teacher placement can begin shortly after this. I will be speaking with the P&C at the meeting scheduled for Monday, 13 October about enrolment numbers for 2015 and possible class structure ideas.
NAPLAN Results
Parents of students in Years 3 & 5 would have received their child’s NAPLAN results last week. A full report will be tabled at the next P&C meeting, scheduled for Monday 13 October. We were overall pleased with the learning results of our students, with some clear directions provided as to where professional learning for teachers and possible program ideas can be planned and implemented over the next 12 months to strengthen identified areas for improvement. These will be discussed at the P&C meeting.

Have a great week everyone, Mrs Hilliar, Principal

SASS Recognition Week (School Administration and Support Staff)
We would like to say THANK YOU for all the love and support the whole SASS team received last week to celebrate our Recognition Week. We very much appreciate your understanding of the roles that we play within the whole school team to support the students, staff and wider community.

The speeches by the children at the Monday Assembly were delightful and humourous and the delicious morning tea provided by the teachers on Tuesday was incredible. Also, very, very early on Wednesday morning, many of us enjoyed a social breakfast together in Nowra before coming to school.

Thank you again, Alison Howells, Administrative Manager
On behalf of Julia, Dianne, Ysabel, Emily, Julie, Bill, Malcolm, Rhonda, Cindy, Magella, Anna, Rachelle, Wendy, Lisa and Jesse.

REMINDER - Notes and the Office Letter Box
Please put ALL envelopes containing notes and money in the letter box in the office foyer - the students do not need to hand them to the ladies in the office. As much as we enjoy seeing the children we seem to keep saying "please put your envelope in the letter box".

Thank you for making life easier,

Alison Howells
Administrative Manager

Bike Riding Day – For All Students
On Thursday, 11 September at 1.30pm the Student Representative Council will be running a number of bike riding activities. Many students will bring a bike to partake in the activities. Some students may not be able to bring a bike, but will be able to enjoy the afternoon as spectators. Students will be involved in a number of activities, which include Sprint, Circuit, Balance Race, Slalom, Loudest Bell and an obstacle course. Parents and Carers are welcome. Notes have been sent home and were due for return on 5 September.

LOCATION: The Pods and playground
DATE: Thursday 11 September 2014
TIME: Start 1.30pm

Kind Regards,
Ben Ross, Classroom Teacher; On Behalf of the SRC
District Athletics News
Congratulations to Stirling Norwood and Joel Horgan, who were named as the Junior and Senior Age Champions at the Shoalhaven District Athletics Carnival which was held at the beginning of August. An outstanding achievement! Well done Stirling and Joel!

South Coast PSSA Regional Athletics Carnival 2014
Well done to the following boys and girls who travelled to Canberra on Friday, 22 August to compete at the Regional Athletics Carnival:

They all tried their best, showed amazing sportsmanship and were excellent representatives for our school. It was especially lovely to hear that the core values of kindness and care came to the fore when one of the competitors had a fall in his race. Thank you!

The results of the Regional Athletics Carnival are as follows:

1st Discus Rhys Burinaga with a throw of 32.30m (4.73m further than the second place getter!)

2nd Discus Emily Burinaga with a throw of exactly 20.00m

2nd 100m Joel Horgan 13.49 seconds

2nd Long Jump Joel Horgan with a jump of 4.64m (Only 1cm shorter than the first place getter!)

4th 200m Joel Horgan 27.84 seconds

6th 4 x 100m Relay Senior Boys 57.44 seconds

Carnival Rankings:
The Cambewarra PS team was ranked 9th overall at the South Coast Regional Carnival. That is 9th out of 84 competing schools! Our combined team score gave us an equal first place ranking (with Illaroo Road) out of the Shoalhaven Schools. There were 28 competitors in the 12 & 13 year old boys’ group. Joel’s individual ranking was 3rd overall. Rhys was ranked 6th overall and Will (Maher) was ranked 10th overall. There were 29 competitors in the junior girls’ division. Emily was ranked 10th overall. Outstanding results, everyone!

State Representatives:
Joel Horgan will be competing in the 100m and the long jump events at the State Athletics Carnival. Rhys Burinaga and Emily Burinaga will both be competing in discus. This carnival will take place from the 15 to 17 October. We wish these outstanding athletes the very best!

Martina Reitz – Sports Coordinator
Name: Chloe
Year: 2
Type of Calf: Calm and Conscientious
Why: Josiah Gilbert Holland said “calmness is the cradle of power,” and Chloe is a student who really lives by this idea. Chloe is sure to blossom into an intelligent, hard-working and powerful person if her current calm and conscientious attitude to school is anything to go by. Chloe always works quietly and consistently, trying her best in every area and following the school’s Core Values. She sets a commendable example to her peers, demonstrating the value and reward of hard work. Chloe says “I think it’s important to work hard in class... it’s the right thing to do.” Chloe says she tries her best by “trying to work on time and listening to instructions,” and that she does this because “I feel happy when I know that I’ve done my best.” Particularly, Chloe is proud of her calm nature, saying “I think I am a calm person. I feel sad when I get stressed so I always try to work hard and stay calm.” What an incredible amount of self-awareness for a year 2 student! Congratulations Chloe on your calm and conscientious nature. These attributes and your strong work ethic will certainly serve you well in the future, to make you a successful student of the twenty-first century.

Kindergarten 2015

Is your child starting school in 2015? Do you know someone with a child entering Kindergarten next year? It is of vital importance that we know how many students we will have next year, for class structures and staffing reasons. We are beginning this process now and we urgently need to know how many students we will have for Kindergarten 2015. If you or someone you know has a child wanting to attend Cambewarra Public School, please make the school aware of your intention as soon as possible.

Thank you for your cooperation.
Thank you for participating in this important survey.

Growing Gorgeous Boys into Good Men!

- Adolescent boys – they seem to disappear into another world where they barely communicate, and where fast cars, alcohol and drugs are constant temptations.
- Will they survive to become good men?
- How can parents and schools understand and help them through this difficult and dangerous time?

Celia Lashlie

After 15 years as the first female prison officer, Celia knows what can happen when boys make the wrong choices. She also knows what it’s like to be a parent – she raised a son on her own and feared for his survival. During the recent Good Man Project she talked to 180 classes of boys throughout. The result was a significant insight into the minds of teenage boys and what they are feeling in this period of their lives. There are challenging suggestions for parents if they want to see their sons become the good men they want them to be. Celia is a great speaker and her talk gives parents food for thought and plenty of hints to work with their teenage sons. All parents will find something valuable in this talk - regardless of whether they have sons or not.

Enrich Your Home With A WEP Exchange Student

World Education Program (WEP) is inviting Australian families to experience another culture within their own homes by becoming volunteer host families. Choose a student from Italy, Belgium, France, Switzerland, The Netherlands or South America and get a glimpse into the life of another culture without having to leave the comfort of your home! Our exchange students are just as excited about sharing their own culture and life experiences as they are about becoming a member of an Australian family.

Arriving in January:
Ilaria (17) from Italy tells us that she is incredibly fond of animals, and that if she had her own way, she would turn her house into a zoo! She enjoys drawing in her spare time, as well as travel. She believes that living so far away from home will help her broaden her mind, and she can’t wait to live with a welcoming family.

Marco (17) from Italy is an animator at his local church group and enjoys playing both football and basketball with his friends. He also enjoys staying active by going to the gym for an hour or so after school. He is looking forward to sharing his Italian culture with you, and hopes you will share your culture with him here 'down-under'.

Getting to know your student before he or she arrives brings fun and joy to everyone involved. Take the next step and contact WEP today to receive a full information pack for your family, including student profiles.

SITEWORKS 2014: ANNOUNCING BIOBLITZ

SITEWORKS 2014 GOES WILD!
Siteworks, Bundanon’s annual spring event, is just 30 days away. This free festival brings scientists, artists and community voices together to celebrate the unique Bundanon properties.

To be held on the weekend of 27-28 September 2014 at the Bundanon site, this year’s event explores biodiversity in a practical sense with a 24-hour Bioblitz, artistically with site-specific works and theoretically with discussions about earth law, science and art.

In this, our second in a series of SITEWORKS newsletters, we introduce the Bioblitz and the ecologists who will be leading it, and we will open bookings for the sessions.

Are you mad about fish, a passionate wombat person or curious about orchids? The Bioblitz is FREE, but places are strictly limited. Book now to be sure you don’t miss out.

CITIZEN SCIENCE SLEEPOVER AT BUNDANON

Bring the family and join the Bundanon Bioblitz.
With your help, in a 24-hour blitz we will audit the distinctive flora & fauna of the Bundanon properties and register our findings on the Atlas of Living Australia. Small groups will be led by ecologists and specialists to explore the site and document the presence of orchids and other flora as well as fish, birds, kangaroos, wombats and frogs.

Registration prior to the event is essential. The walks are rated easy, medium and hard, so there’s something for every age and fitness level.
IN THE SPOTLIGHT: NOCTURNAL WALKS

NOCTURNAL SPOTLIGHT FOR FAUNA
Join Bundanon's bush regeneration experts or ecologist Louise Boscacci for a super quiet spotlight search for gliders, bats and other nocturnal fauna. Adults only for this one.

KIDS AND FAMILIES NOCTURNAL WALK
Children and families can join a spotlight search for frogs, marsupials and other nocturnal fauna. Children up to 18 years need to be accompanied by a parent.
