<td>Fill you cake plate with home made goodies eg. cakes, slices, jellies, toffees, muffins, savoury treats... so many options.</td>
<td>Return your cake plate with a small donation. A number of families find this easier than donating time to help on the stalls or time cooking. It helps kick start the fundraising tally too.</td>
</tr>
<tr>
<td>Return your cake plate on the Friday <strong>before the Fair</strong> so we can tag them and get them ready for sale the next day.</td>
<td>If you would like to help with the packaging and labelling on the Friday before the Fair let Cindy know of your availability - it’s usually good fun.</td>
</tr>
<tr>
<td>Please include an ingredient list to help us with labels and/or email Gina at <a href="mailto:sandgburns@bigpond.com">sandgburns@bigpond.com</a> if you’d like some ready made label “printables” to fill in yourself.</td>

**Volunteers!**

We still need volunteers to help us with the Fair Games, pull down/set up and general ‘gopher’ jobs. If you can give up an hour (or even less) it would be great to start filling up our (fairly empty) roster. Historically parents/carers have each taken different time slots to double the coverage and still have someone with their younger kids to help enjoy the day. Let us know when you can help.

**TOMBOLAS ARE DUE IN!**

For those unfamiliar with the tombola stand, here’s how it works:

Tombola’s (plastic containers or snap lock bags) are filled with various items with a minimum value of $2. A ticket is then purchased and the tombola that has the corresponding ticket on it and its surprise contents are yours to keep. A fun Lucky Dip event the kids love!

This year the prize for MOST TOMBOLAS collected by the winning class is five (5) fair game tokens per child to spend on the fair games at the Fair! So far 1M is in the lead!

Do you need ideas to fill your tombolas? Here are ideas… marbles, beads, hair bands or clips, shaped elastics, crayons, markers, lollies, vegetable or flower seeds, pegs, pot pourri, paperclips, stickers, dried pasta, bubbles or anything else you can think of. If you’d like to receive the prize then you are probably on the right track.

There are several things to remembers, all items should be new and only plastic jars or containers, no glass please. Also if you are sending in food or lolly items they must be non-perishable, and in the ORIGINAL packaging with a use by date after Nov 2015.

**CLASS COMPETITION WILL END WEDNESDAY 14TH**
