School Leadership Process
Students in year 5 are currently busy preparing applications to apply for a school leadership position in 2016. I look forward to reading the applications, which are due by Friday, October 23.

Students applying for a position need to address the following areas:
- school involvement
- leadership qualities
- commitment to the school Core Values
- leadership experience

Dates to remember for the school leadership process:
- applications due to Mrs Hilliar by Friday, October 23
- speeches (no longer than 4 minutes) presented at a school assembly on Tuesday, November 3.
- announcement of school leaders 2015 made at Presentation Evening, Monday, December 7.

Best wishes to all students applying for a leadership position.

Interschool Equestrian Championships
Congratulations to Isabella who competed at the Interschool Equestrian Championships representing Cambewarra Public School. Bella did us proud by achieving 1st in the best presented, best hand and seat, hack and hunter, pairs, and best handler classes. These results are outstanding achievement demonstrating Bella’s commitment and time spent perfecting her horse riding skills. Well done Bella, we’re very proud of you!!!

Education Week
The last week of Term 3 was Education Week at our school. What a great week it was! We had a very special open day with three-way student-led conferences and a fantastic assembly showcasing our talented students. It was great to see so many parents, grandparents, friends and community members visit the school and comment on how delightful our students are. Thank you to all the staff who put in so much work to make education week such a success and to the parents for making the day such a positive one for the students.
Radio Broadcast
What a fantastic morning our students had with the Power FM Breakfast Show last Thursday. The students had a fun morning singing with the karaoke, dancing and doing zumba, playing soccer and games in the playground, and meeting the Minion, the fairies and King Neptune. Some students also had the chance to be interviewed about the up and coming Cambe Calf and Craft Fair and what makes our school so great. I was very proud to see how awesome our students were, the manners they displayed and their friendly and kind actions to the Power FM Breakfast Crew. A big thank you to our wonderful group of parents who turned up very early to set up, serve breakfast and help out during the morning. We really appreciated your help.

Bike Day

On the last day of term three our school hosted a bike day, where the students were able to bring along their bikes and scooters or borrow one from the school. It was a fantastic day and all the students thoroughly enjoyed themselves! It was fantastic to see the students outside in the sunshine, exercising, laughing and working together. Thank you to Mrs Sturt, the SRC and all the staff for their hard work and organisation. A great day was had by all!

Cambe Calf and Craft Fair

It’s on again – the highly anticipated Cambe Calf and Craft Fair is on this Saturday from 9am. Students are excited, counting down the days until Saturday, talking about what games they’ll play and who they will meet up with.

The Cambe Calf and Craft Fair has been an enormous organisational task for our Fair Coordinator Cindy Murray, the P&C and the many parents, grandparents and our wider school community in making, preparing, sourcing and gathering the produce, prizes, sponsorship and people for this one day. There has been such a team approach to fair day with all proceeds targeting school resources for the students. Thank you everyone who has been involved or contributed in some way towards Saturday.

Keep an eye on the last minute details arriving home via our facebook page, class newsletters and noticeboard.

I look forward to joining you all for what will be another great Calf and Craft Fair. See you on Saturday!

Susan Hilliar - Principal

Ethics Classes

A reminder to all parents/carers that there is the opportunity for a Stage 3 and a Kindergarten Ethics scripture class to be run. A note with information regarding ethics classes has been sent home to students. If you wish for your child to attend this class please send all notes to the scripture coordinator, Miss Robinson.

In addition, if you wish to change which scripture group you child attends please send in a note addressed to Miss Robinson.
**The Cambe Calf Award**

**Name:** Libby  
**Year:** 5  
**Type of Calf:** Competitive Calf  
**Why:** Libby is a true competitor; she is a keen athlete who loves to win, but she always maintains her sportsmanship in everything she does. When playing with the touch football team last term, Libby demonstrated what a fantastic sportsperson she truly is. The girls faced a very tough match, and it would have been easy for the team to fall apart, feel disappointed or even give up. Libby however ensured that that didn’t happen – her positive attitude ensured that the team continued to do their best and, most of all, that they continued to enjoy themselves. Libby says “it was a tough game, but lots of fun at the same time.” Libby kept team morale up in myriad ways; “If one of them got a try I would say ‘good job’ but if one of the other team’s players got a try I would say ‘good try’ or ‘you tried your best’ or ‘you did good to try so hard.’” Libby says she thinks it is really important that people stay positive and keep doing their best, “it’s important to encourage other people so that don’t lose confidence in themselves.” What a great attitude you have Libby! Even though the girls didn’t win on the day, they did all have a lot of fun, helped largely by Libby’s positive attitude and commitment to peppe up the team. Libby says “I felt that we went really good and even though it was tough we all tried our best.” What a fantastic and positive outlook Libby! Congratulations on having such good sportsmanship Libby and on having such a positive outlook even when things are tough. You enhanced everyone’s experience and made sure everyone had a great game, regardless of the result. Congratulations Libby!

**Tissues**

As we’re in the latter part of the year and coming out of cold and flu season, we find ourselves short of tissues! If you are able to donate a box of tissues to the school that would be very much appreciated. Any donations can be given to students’ class teachers.

**TOMBOLAS ARE DUE IN!**

For those unfamiliar with the tombola stand, here’s how it works:

Tombola’s (plastic containers or snap lock bags) are filled with various items with a minimum value of $2. A ticket is then purchased and the tombola that has the corresponding ticket on it and its surprise contents are yours to keep. A fun Lucky Dip event the kids love!

This year the prize for **MOST TOMBOLAS** collected by the winning class is five (5) fair game tokens per child to spend on the fair games at the Fair! So far 1M is in the lead!

Do you need ideas to fill your tombolas? Here are ideas… marbles, beads, hair bands or clips, shaped elastics, crayons, markers, lollies, vegetable or flower seeds, pegs, pot pourri, paperclips, stickers, dried pasta, bubbles or anything else you can think of. If you’d like to receive the prize then you are probably on the right track.

There are several things to remember, all items should be new and only plastic jars or containers, no glass please. Also if you are sending in food or lolly items they must be non-perishable, and in the ORIGINAL packaging with a use by date after Nov 2015. **CLASS COMPETITION WILL END WEDNESDAY 14TH**
