Principal’s Report

Wellbeing Support team – Located at “the space”

Last week students were introduced to our Wellbeing Officer Jane Ewin, School Counsellor Yvonne Fergusson and Defence Support Teacher Lisa Hood. The classroom, located at the end of the Staff Car Park (Mr Hosler’s old classroom) is where the Wellbeing Team can be found. The old classroom has been named “the space” and students now refer to the location of the Well Being Team as “the space.” Information has already gone home in previous newsletters about the how parents, teachers and students can access “the space” and which wellbeing Officers will be available on particular days. Students are already using the drop in approach to “the space” as have some parents when they have needed some advice or for an informal chat. At this stage it is assumed that parents are comfortable with this arrangement. If you do not want your child to drop into “the space” to talk with a wellbeing officer please let your child’s class teacher know in writing or with a call to the front office. I thank the wellbeing officers for their dedication, passion and commitment to be of service to teachers, parents and students.

This is what a few of our students have told us about “the space”.

**Jorja Poulton** - “If kids are having problems they can go and seek help from the wellbeing team.”

**Mason Rumble** - “If you are getting bullied at school it’s a place you can go to get some advice and help.”

**Lachlan Barnes** “If you have no one to play with or your friends are away you can go and chat to the ladies in “the space.”

**Ellie Fischer** “It’s good to have “the space” because some kids might feel more comfortable to talk to the ladies in “the space” rather than their friends or parents”.

The students all said they would use “the space” if they needed to.
Welcome BBQ

Last Friday the P&C once again held the annual welcome to new parents BBQ. In the past this has been a wonderful way for new families to connect with the school, meet new parents and relax with breakfast with their children. It was terrific to see so many new families enjoying the morning together.

The P&C committee are to be thanked for once again making this event a priority at the beginning of the school year. Thank you to the parents, who aren’t so new, for welcoming the new families to Cambewarra Public School. Special mention to Amanda Poulton and her team for providing such a wonderful selection of pancakes, fruit, juice and bacon and egg rolls. Thanks Amanda.

Long Service Leave – Mr Burns and Mrs Hilliar

From time to time teachers, support staff and principals take Long Service Leave (LSL). This term Mr Burns will take LSL from Monday 23rd February. When Mr Burns returns he will take on the responsibility as Principal while I take LSL from 18 March until the end of the term.

We welcome back to school Mrs Rogers who will teach 5/6B for the next 6 weeks of Term 1.

P&C AGM – Change of date

Our next scheduled P&C meeting has been changed to Monday 9th March. This meeting is the annual AGM where a new President and executive sub-committee coordinators will be filled.

Please come along and support your P&C who support Cambewarra Students and the schools vision.

The Cambe Calf Award

Name: Emily Lonsborough-Russell
Year: 4
Type of Calf: Courageous Calf

Why: Emily willingly and confidently attempted to swim in the Swimming Carnival events which is something she has been reluctant to do in the past. Emily said “I have been going to swimming lessons at South Nowra and this has helped me feel more confident and willing to try” Emily said “I felt proud for myself and my family when I won my race and also being part of Green House and helping to win points.”

Emily also said she enjoyed the feeling of winning and is looking forward to next year’s Swimming Carnival as well as trying other challenges at school.

It is important for us all to try things we have not done before!
Congratulations Emily for having the courage to do something you would not normally do!

Uniforms – Great start to looking fantastic

At the last Monday’s assembly it was wonderful to see all the students in their correct summer uniform. As the year moves on students often misplace their jumpers, jackets and hats in the playground. To help us return found uniform items please make sure all items are clearly labelled with your child’s name. Thanks everyone for ensuring the kids look great each day.

Here’s what a few of our students told us about wearing the school uniform.

Lakota Morris “It’s important to wear the school uniform so we all belong to the school.”

Jamie Wu “You wear your school uniform so other people know you go to school.”

Hugh Pilgrim “It’s good to wear your uniform so you don’t feel lonely.”

The students all agreed that they wouldn’t like to wear different clothes to school each day because “it would be hard when you ran out” or “had to think of something different to wear each day.”
