Principal’s Report

Playground Update
The students are certainly enjoying all the new places to play with their friends and we have definitely noticed less students requiring assistance to sort out problems with playing and sharing.

You may have seen the great story and photographs in last week’s South Coast Register about our playground games, scooters and bikes. The editor and photographer were very impressed with what our students are doing during breaks.

Term 3 Calendar
It’s hard to believe we are planning and organising Term 3 and what’s on. Attached to the bulletin is a guide to some events planned and scheduled for Term 3. Don’t forget we are moving closer to our much anticipated Cambe Calf and Craft Fair set down for Saturday, October 17. Our Presentation Evening has been booked at Shoalhaven Entertainment Centre on Monday, December 7.

School Fees Update
A reminder notice was sent out to families who were still yet to pay their child/ren’s School Fees. Thanks to the 10 families who have responded. If you are still yet to pay your school fees we would really appreciate payment before the end of this term.

School Reports
Coming home next Wednesday are your child/ren’s Semester One Reports. These reports allow parents to better understand how their child is progressing against expected standards in each grade. Not all students learn at the same pace, so what is important in these reports is to focus on the effort your child
Principal’s Report (continued)

brings to learning. Effort is reported as a number and demonstrates your child’s ongoing commitment and perseverance through practice tasks and challenging tasks in the classroom. I’d like to take this opportunity to thank the teachers for the enormous amount of time they’ve provided in writing reports and for making themselves available for parent interviews as required though out the term.

Have a great week everyone,

Mrs Hilliar

Stage One Science Excursion

Stage One students visited the UOW Science Centre on Friday 5th June. This excursion complemented the enquiry learning that Stage One students have been completing in Science over this term. It was evident that the students thoroughly enjoyed the day and were thoroughly engaged with the programs, activities and the visit to the planetarium. The students certainly demonstrated the school Core Values during this excursion and the Science Centre staff commented on their excellent behaviour. We thank the Science Centre staff for the excellent organisation of the day.

Mrs Mison

Below are some student reports about our excursion:

On Friday the 5th we went to the science centre. We went on a bus. We had food there. We watched a movie there, it was called *The Perfect Planet*. We watched the stars too. Only year 2 and year 1 went. We got to see science stuff. It was fun. We got to play with the science stuff.

- Isabella

On Friday stage one went to the science centre. We played upstairs and played with science stuff. It was very fun. When we got off the bus we had a snack and a sandwich. We went to the planetarium.

We watched a show and it was called *The Perfect Planet* and it was very fun. We watched the bubbles and balloons show and I liked it, it was a very fun day.

- Rhiana

On Friday stage one went on the bus to go to the science centre. We had some food and then we went to the planetarium and we saw a movie called *The Perfect Planet*. After that we went to the hands on science experiment and after that we went to have some play and it was really a lot of fun. Then we went on the bus and I saw a movie on the TV.

- Jaida
Girls’ Cricket

Last week our Cambewarra Girls’ Cricket Team travelled to Bowral for their first game of the PSSA State Knockout.

Winning the toss and sending Bowral in to bat, our bowlers performed amazingly well with the ball. Tight bowling from Nikki (2-15) and a very accurate spell from Ruby (3 wickets for only 4 runs) restricted the run rate to only 63 runs. Emily, Eilish and Serena backed this up with one wicket each.

Cambewarra won the game achieving a total score of 75 runs.

Many thanks to Ruby’s dad and mum for umpiring the game and scoring, as well as to the parents who helped transport the girls to Bowral.

Our next game will be against Ulladulla on a date yet to be finalised.

Great job girls! - Mr Waters
Walk for Fun

The cancer assistance network is hosting a walkathon to raise funds to assist local families dealing with cancer.

When: Sunday 14 June 2015, 11am – 2pm
Where: Willandra cross country course, 101 Browns Mtn Rd, Tapitallee
Cost: Adults - $10, Children (under16) - $5 (to a family maximum of $20)

Sausage sandwiches and drinks will be available for purchase on the day.

For further information contact Graham Smith on 4423 2434 or 0413 527 494.

Monday, 22/6

The Cambe Calf Award

Name: Siniva
Year: 3
Type of Calf: Caring Citizen
Why: Siniva receives this week’s Cambe Calf Award for being a caring school citizen. Siniva consistently endeavours to follow the Core Value of “Doing your Best.” Siniva practises this Core Value around the school, particularly by being good friend and a great student. Siniva says it’s important to do your best “so I don’t grow up doing something bad.” Siniva tries to hone these good habits by showing initiative and helping out wherever possible. Siniva does things such as “picking up rubbish, or balls that have been left out in the oval. I also collect clothes and hats and containers left out, and put them in lost property or if they have last names on them then I try to give them back to their owners.” Siniva also practises being a good friend by helping others when they need it “I try to always support my friends.” Siniva says it is really important to be a good school citizen and to try your best around the school, even if you don’t “always do things perfectly.” Siniva says “I feel very awesome when I do the right thing, it feels really good.” It makes everyone else feel good too Siniva! Congratulations Siniva and thanks for being such a good school citizen.

LAST DAY TERM 3 –18 Sept 2015  Teachers FIRST DAY BACK - 6 October 2015  Students FIRST DAY BACK - 6 October 2015
P&C NEWS

10 JUNE 2015

WOW, ALMOST HALF WAY THROUGH THE YEAR!

NEXT MEETING
The next P&C meeting will be on Monday 15 June at 6.30pm in the staffroom.
Please come along and keep up-to-date with what is happening in our school.

ICY TUESDAY
Icy Tuesdays continue every week and it is great to see the Canteen Monitors doing such a great job for this Year 6 fundraiser.

TOASTY TUESDAY
The next Toasty Tuesday will be on the last Tuesday of Term 2.
Keep an eye out for your order forms. Please be sure to have your orders and money back in on the Monday morning to allow for orders to be placed with the bakery in plenty of time.

CALF+CRAFT FAIR
Newsletter coming out this week updating you on the latest information about the Fair and highlighting where you might be able to help.

FIVES-4-SIXERS
WHICH CLASS WILL WIN? WILL IT BE YOUR CLASS? Keep those 5c coming in!

COOSH NEWS

Check out the Vacation Care program attached to this newsletter. Be sure to book your place before the holidays start to receive a discount on your daily rate. It is sure to be a fun holiday program for all at COOSH. Phone COOSH on 0419 487 660 for bookings or more information.

POSITION VACANT

COOSH Child Care Educator Recruitment

Cambewarra Out of School Hours Service (COOSH) seeks a permanent-part time child care educator for 15-18 hours per week for before and after school and vacation care.

Essential criteria are:
- Certificate III in Children’s services
- First aid certificate (including asthma and anaphylaxis)
- Current working with children check and police check
- Proven experience working with 5 to 12 year olds
- Ability to plan and implement programs for 5 to 12 year olds
- Be organised, flexible and able to respond to shifting priorities.

If this position is for you, please request an information pack from cooshcambewarra@hotmail.com

Applications close Wednesday 24th June 2015
WHAT IS THE NATIONAL DATA COLLECTION?
The Nationally Consistent Collection of Data on School Students with Disability (the national data collection) is an annual collection that counts the number of school students with disability and the level of reasonable educational adjustment they are provided with.

The national data collection will count students who have been identified as receiving an adjustment to address a disability under the Disability Discrimination Act 1992 (the DDA). The DDA can be accessed from the ComLaw website at www.comlaw.gov.au.

WHAT IS THE BENEFIT FOR MY CHILD?
The aim of the national data collection is to collect better information about school students with disability in Australia.

This information will help teachers, principals, education authorities and families to better support students with disability to take part in school on the same basis as students without disability.

The national data collection is an opportunity for schools to review their learning and support systems and processes to continually improve education outcomes for their students with disability.

WHY IS THIS DATA BEING COLLECTED?
All schools across Australia collect information about students with disability. But the type of information currently collected varies between each state and territory and across government, Catholic and independent school sectors.

When implementing the national data collection, every school in Australia will use the same method to collect information. Therefore, a government school in suburban Sydney will collect and report data in the same way as a Catholic school in country Victoria and an independent school in the Northern Territory.

The information provided through the national data collection will enable all Australian governments to better target support and resources to benefit students with disability. The data will help schools to better support students with disability so that they have the same opportunities for a high quality education as students without disability.

WHAT ARE SCHOOLS REQUIRED TO DO FOR STUDENTS WITH DISABILITY?
All students are entitled to a quality learning experience at school.

Schools are required to make reasonable adjustments, where needed, to assist students with disability to access and participate in education free from discrimination and on the same basis as other students.

These responsibilities are outlined in the DDA and the Disability Standards for Education 2005 (the Standards). The Standards require educators, students, parents and others (e.g. allied health professionals) to work together so that students with disability can participate in education. The Standards can be accessed via the ComLaw website at www.comlaw.gov.au.

WHAT IS A REASONABLE ADJUSTMENT?
A reasonable adjustment is a measure or action taken to help a student with disability access and participate in education on the same basis as students without disability. Reasonable adjustments can be made across the whole school setting (e.g. ramps into school buildings), in the classroom (such as adapting class lessons) and at an individual student level (e.g. extra tuition for a student with learning difficulties).

WHAT INFORMATION WILL BE COLLECTED?
Every year your child’s school will collect the following information for each student with a disability:

- the student’s level of education (i.e. primary or secondary)
- the student’s level of adjustment
- the student’s broad type of disability.

The information collected by schools will be provided to all governments to inform policy and
programme improvement for students with disability.

WHO WILL BE INCLUDED IN THE NATIONAL DATA COLLECTION?

The definition of disability for the national data collection is based on the broad definition under the DDA.

For the purposes of the national data collection, students with learning difficulties such as dyslexia or auditory processing disorder as well as chronic health conditions like epilepsy, diabetes or asthma, that require active monitoring by the school, may be included.

WHO WILL COLLECT INFORMATION FOR THE NATIONAL DATA COLLECTION?

Teachers and school staff will identify the number of students with disability in their school and the level of reasonable adjustment they are provided based on:

- consultation with parents and carers in the course of determining and providing reasonable adjustments
- the school team’s observations and professional judgements
- any medical or other professional diagnosis
- other relevant information.

School principals are responsible for ensuring the information identified about each student is accurate.

HOW WILL MY CHILD’S PRIVACY BE PROTECTED?

Protecting the privacy and confidentiality of all students and their families is essential. Personal details such as student names or other identifying information will not be provided to local or federal education authorities.

IS THE NATIONAL DATA COLLECTION COMPULSORY?

All education ministers agreed to full implementation of the national data collection from 2015. This means that all schools must now collect and report information annually on the number of students with disability in their care and the level of adjustment provided to them.

Information about the arrangements that may apply to your school in relation to this data collection is available from your child’s school principal and the relevant education authority or association of independent schools.

Even if your child’s information is not included in the national data collection, the school is still required to provide support to your child with education needs.

FURTHER INFORMATION

Contact your child’s school if you have further questions about the Nationally Consistent Collection of Data on School Students with Disability and how it may involve your child.

COOUSH Winter Vacation Care Program

Monday 29th June – Monday 13th July

Bookings can be made by phone on: 0419487660 or by e-mail: cooshcambewarra@hotmail.com

Dear Parents and Carers,

Please find attached our COOSH Vacation Care Program. COOSH offers Vacation Care & pupil free days from 7.00am to 6.00pm Monday to Friday. We provide breakfast, fresh fruit and water. Your child will need to bring with them daily: Morning tea, Lunch, Afternoon tea, Sun hat, drink bottle & spare/change of clothes.

Our Fees
- In centre days $45 Casual $43 Permanent
- Incursion days $47 Casual $45 Permanent (INCURSIONS ARE HELD IN-CENTRE WITH VISITING ATTRACTIONS)
- Excursion days $60 (EXCURSIONS REQUIRE WRITTEN CONSENT FROM FAMILIES)

Fee payment
- In accordance with our COOSH enrolment form, the total cost of each week’s vacation care must be paid in advance on the first day of your child’s weekly attendance. Children will not be able to attend vacation care until the fees are paid or a payment arrangement has been agreed to by the parent/guardian and COOSH Co-ordinator.
- Payment for the day and for each excursion, once made, is NON REFUNDABLE but a booked day may be changed for another day if staffing and organisation allows. Excursion costs are not transferable.
- All bookings made after Vacation Care has started will be charged at our casual rate.
- Full fees will be paid for a vacation day absence unless 24 hour’s notice is provided to the Centre.

Excursions require advance booking and organisation. Please book early so that we can plan transport, tickets and staffing accordingly. Consent must be given in writing for each excursion. Please check approximate departure and arrival times for excursion days. PLEASE DO NOT GIVE CHILDREN MONEY TO SPEND ON EXCURSIONS, UNLESS SPECIFICALLY REQUESTED ON THE PROGRAM

KIDS - Please wear sports type shoes EVERY DAY at COOUSH as we promote active play, dance, gym, sports and running games
