Dear Parents & Care Givers,

The Wakakirri ‘Sign Up’ process is beginning. Last time we participated we had over 120 students indicating they would like to audition for a position in our Wakakirri performance. At this stage we are still gathering information regarding student numbers and parent helpers before we make a final commitment.

Your child has expressed an interest in being apart of the Wakakirri journey. To be involved in the audition process you will have to complete and sign the attached ‘Expression of Interest’ form. If your child is selected, this form indicates that you agree to your child participating in the possible show in Wollongong this August, to paying a $50 participation levy, and to attending to some after school hours rehearsals in the lead up to the performance.

Please remember that there are numerous roles involved in putting together such a large production and students who do not wish to perform, commit to back stage crew or make it through the audition process will still be apart of the school’s creative arts program.

We will be seeking parent volunteers to assist students with set, costume and prop construction. Please indicate if you would be able to assist on the form attached.

Rehearsals for Wakakirri will mainly be in school hours; however as the performance date approaches additional rehearsals may be called outside of normal school hours and possibly during school holidays at the end of term 2. These rehearsals will be published well in advance.

Costs for participating in Wakakirri will be kept to a bare minimum, with transport by coach the only major cost. We anticipate using as many recycled materials for the costumes and set as per the Wakakirri guidelines, however any other additional materials may incur a cost. At this stage we estimate it to be approximately $50 per student.

Please complete the attached ‘Expression of Interest’ form and return it to Mr Burns by Friday, 7th March.

Should you require further information please contact Mr Burns at school on 44460038.

Regards,
Trent Burns
Assistant Principal
STUDENT EXPRESSION OF INTEREST
