Bus Behaviour

Dear Parents and Care Givers,

Over the past few weeks there have been a number of concerns regarding the behaviour of Cambewarra students on the school buses. Students are reminded regularly of the behavioural expectations when catching the bus to and from school for their own personal safety and the safety of others.

It is expected that students who catch buses follow the school core values and the bus company regulations at all times. This also applies to waiting at bus stops.

Students who continually disregard the bus regulations and misbehave on school buses will have their bus passes suspended for a period of time.

Both the bus company and the school work together to ensure student travel to and from school is safe and respectful, and that students understand their responsibilities. Removing bus passes from students will occur if students continually disregard bus expectations.

Please discuss this letter with your child reminding them that bus passes will be taken as a consequence for poor bus behaviour.

Yours sincerely

Susan Hilliar
Principal
